Results Summary	
Raw score:	36
Math sub-score:	20/20
Verbal sub-score:	16/20
Percentile rank:	69.34% (Good)
Assessment error:	N/A

CBST Description

The CBST can help measure the requisite skills required to succeed in a wide variety of entry-level positions. Test items assess basic grammar, spelling, math, and language skills.

CBST Score Legend	
Excellent	38-40
Good	32-37
Fair	28-31
Low	< 28

Results: Explanation

Good: Scores in this range indicate that Judd demonstrates proficiency in basic math and verbal skills. Judd's score reflects his/her competency in most basic verbal and math skills, such as English grammar, spelling and punctuation, as well as fundamental quantitative skills, although scores at the low end of this range may indicate only partial mastery of some of these areas. This score suggests Judd's level of verbal and math skills probably meets that required for job success in many entry-level jobs for which literacy and basic math skills are required.

Suggested CBST Score Ranges by Position	
Position	Score Range*
