| Express - English)

CLPT Express - English

- The **Criteria Language Proficiency Test Express – English** is an assessment of English proficiency. It is designed to measure candidates' level of English proficiency across the skills of reading, writing, and listening, using just 12 questions.
- Reading and listening abilities are assessed with multiple choice questions while writing ability is assessed with open-text questions which are automatically scored by a natural language model.
- The CLPT Express – English takes approximately 7 minutes to complete.
- Since the test is designed to adapt to the candidate's skill level, the CLPT Express – English can be used for any position which requires a beginner to advanced level of proficiency with the English language.

Criteria
Score Report

1. The top of the page of every **CLPT Express – English** score report displays the candidate’s information, including the candidate’s name, position applied for, the date the candidate took the assessment, and the Test Event ID.
2. The Results Summary provides the applicant’s numerical score and proficiency rating.
3. The Test Event ID is given to candidates at the beginning of their assessment and is used if they encounter any issues during the test. They simply return to www.oda1.com, enter their Event ID, and then they can continue their assessment from where they left off.

Results Details

- Candidates receive a numerical score ranging from 1-20. This is a standard score that indicates how they have performed relative to other people.
- The candidate's score determines their rating of CLPT Express - English Proficiency. There are five different proficiency ratings ranging from Beginner to Advanced. The score cut-offs that correspond to the different Proficiency ratings are indicated in the table.
- The score that is assigned reflects both the number of questions the test taker answered correctly, and the level of difficulty they were able to work their way up to.

| Score | Proficiency |
|-------|--------------|
| 1-4 | Beginner |
| 5-8 | Foundational |
| 9-12 | Intermediate |
| 13-16 | Skilled |
| 17-20 | Advanced |

Results Details

1. The Results Details section also provides a graphical display of where the candidate's score places them on the range of Proficiency.
 - ✔ This icon indicates the candidate has exceeded a Proficiency level and is likely to possess the associated knowledge and skills.
 - ✔ This icon indicates the candidate's current Proficiency level. They are likely to possess some but not all the knowledge and skills associated with that level.
2. If you've created a custom score range, that range will appear in the Results Details section. This will indicate whether the candidate's score fell inside the range you've set.

Results Details
